Body Discovered

On July 27, 2023, at approximately 7:00 a.m., a fisherman called 911 in regards to a body floating in the North Reservoir located in Coventry Township. The man saw the body floating approximately ten feet from shore near Portage Lakes Drive. The Summit County Sheriff's Office, Ohio Department of Natural Resources, Coventry Fire Department, and the Summit County Medical Examiner's Office responded to the scene. Authorities were able to identify the body of the 49 year old woman from Coventry Township. She was pronounced dead at the scene. The incident remains under investigation by the Summit County Sheriff's Detective Bureau.
