Traffic Crash in Coventry Township

On February 24, 2022, at approximately 8:15 a.m., a single-vehicle crash occurred on Killian Road in Coventry Township. The Summit County Sheriff's Office responded to the scene and located a 2003 Dodge Durango with a 46-year-old male driver and a 39-year-old female passenger. Both occupants were entrapped in the vehicle. Investigators believe the vehicle was traveling west on Killian Road and crossed the centerline of the roadway. The vehicle subsequently exited the south side of the roadway and hit a tree. The Green Fire Department transported the driver to Akron City Hospital for serious injuries and the Coventry Fire Department transported the passenger to Akron General Medical Center-Cleveland Clinic for life threatening injuries.

Neither occupant was wearing a seatbelt. Impaired driving is suspected to be a factor in the crash. The crash remains under investigation by the Summit County Sheriff's Office and Summit Metro Crash Response Team. Family members of both occupants have been notified.
