Sheriff Kandy Fatheree

County of Summit • State of Ohio

Countywide Sex Offender Verifications

Sheriff Fatheree would like to announce the results of a collaborative operation between the Summit County Sheriff's Office and the Adult Parole Authority. On April 12, 2024, Summit County Sheriff's Detective Bureau and Adult Parole Authority conducted sex offender address verifications on 54 registered sex offenders living in Summit County.

The verifications were conducted in numerous communities, including Northfield Center Township, Sagamore Hills, Macedonia, Twinsburg, Hudson, Stow, Tallmadge, Mogadore, Springfield Township, Akron, and Green.

“We want the public to know that we keep a vigilant watch on the 1,100 registered sex offenders in Summit County,” said Sheriff Fatheree. “We not only perform daily individual verifications, but we also conduct frequent collaborative operations such as today’s.”

Of the 54 offenders, six of them (or 11.1%) were found to be out of compliance with their registration requirements. A warrant for Failure to Register Change of Address will be issued for their arrest.
