Suspect Apprehended after Search

On Sunday, May 19, 2024, at approximately 6:00 p.m., the Uniontown Police Department began a foot pursuit with a suspect for the theft of a vehicle. The pursuit entered the city of Green near Mayfair Road. The Stark County Sheriff's Office, Jackson Township Police Department, Ohio State Highway Patrol and Summit County Sheriff's Office converged on the area. Deputies were alerted to the location of the suspect by a local business owner after the suspect pointed a gun at the business owner. The suspect subsequently dropped the gun before entering a wooded area. Summit County Sheriff's deputies and a Sheriff's K9 Unit entered the woods, located the suspect, and took him into custody.

The suspect was identified as Trenton D. Marks, age 28 of Atwater. The handgun was recovered and found to be stolen from a vehicle in the City of Green. A stolen BMW was recovered earlier from the City of Green. Trenton Marks was arrested, transported, and booked into the Summit County Jail for Aggravated Menacing (M-1), Having Weapons Under Disability (F-3), Theft of a Motor Vehicle (F-4), and Theft of a Firearm (F-5). Additional charges are pending the outcome of the investigation.

“Incidents like this demonstrate why it’s so important for our local agencies to have close working partnerships and good communication,” said Sheriff Fatheree. “I’m proud of my team for locating this suspect so quickly, and for seamlessly working with multiple agencies, including those from beyond our county.”
