Death at Twinsburg Township Industrial Park

On January 10, 2025, at approximately 9:45 a.m., the Summit County Sheriff's Office and Twinsburg Fire Department responded to an industrial park in the 1600 block of Highland Road in Twinsburg Township for reports of an unresponsive male. A 35-year-old male entered a tank to conduct an air quality test while two others waited outside. The two outside of the tank noticed the male was unresponsive and subsequently began to assist him. The Summit County HAZMAT Team and the Summit County Technical Rescue Team responded to the scene. The 35-year-old male from Cleveland was pronounced dead at the scene. The Summit County Sheriff's Detective Bureau and Crime Scene Unit responded to process the scene. The incident is being investigated by the Summit County Sheriff's Office Detective Bureau.
