Tragic Accident During Memorial Day Parade

GREEN – The Summit County Sheriff's Office is saddened to report an incident that occurred during the Memorial Day Parade in the City of Green this morning.

At approximately 11:23 am, a 13-year-old male participating in the parade fell from the front of a trailer being used as a float. The juvenile was then struck by the dual tires of the trailer.

Green Fire EMS personnel and Sheriff's Office staff who were on-site providing support for the event immediately responded to the scene. The teen was transported to the hospital, but despite emergency medical efforts the injuries sustained were severe and the juvenile was later pronounced deceased.

The incident remains under investigation by the Summit County Sheriff's Office. No additional details are available at this time.
